To Central University of Himachal Pradesh,

Greetings from UNV!!

UN Volunteers (UNV) India is supporting the **Ministry of Youth & Sports Affairs (MoYAS)** in review and revision of National Youth Policy 2014. As part of this process, UNV has hired the services of BCG which is conducting a survey among the youth in the country to collect their perspectives on various aspects affecting the young people. The survey has been developed in 5 languages for easy access.

- Toolkit link: http://bit.ly/NYP_toolkit

For your reference, we are also attaching a toolkit with creatives and guidelines to share the survey on your platforms. Kindly note that the **deadline for filling out the survey is 30th January 2020.**

We would like to request **you** to fill this survey and kindly support us in the outreach, sharing it across your various social media platforms: Twitter, Facebook, Instagram etc. It is very crucial that we capture the voices of all our youth who could share their opinion towards the formulation of the policy - most of whom come from your target audience and reach.

Please feel free to tag UNV India and use the Hashtags: #UNV_India #NYP2020 #YouthPolicy2020

It's an excellent opportunity for all of us to populate this survey among our own networks and to who could share their suggestions on the same.
