Dear Dr. Singh Rajesh Kumar,

I am pleased to inform you that the Council for Higher Education has approved your application to the PBC Program of Fellowships for Outstanding Post-doctoral Researchers from China and India - 2016/2017.

The award will commence this coming academic year, 2016-2017, no later than March 1, 2017, and may be renewable for the following academic year, depending on satisfactory progress in your research. The scholarship is valued at 110,000 NIS per annum and an additional 5,000 NIS for international travel expenses per annum.

As is customary, parallel fellowships at other institutions cannot be held during the duration of the Post-Doctoral Fellowship although additional awards and grants to support the work undertaken at Ben-Gurion University of the Negev are welcome.

Please note that you should let us know whether you approve accepting of this fellowship until February 25th at the latest. Without such approval the fellowship will be cancelled.

Sincerely yours,

Sharon Segal-Slivkovitz

Dear Dr Verma,

The Royal Society has now considered your application for a Newton International Fellowship entitled "Genetic regulation of metal distribution in cereal crops", and we are delighted to inform you that your application has been successful. Securing a Newton International Fellowship is a major achievement; the scheme supports the development and training of postdoctoral researchers at an early stage in their career and provides you with a valuable opportunity to build long-lasting relationships with UK research institutions and networks.

In the following letter, we would like to set out the details of our offer. Please note that this award letter, together with the attached Conditions of Award as well as certain Policy and Position Statements, set out the terms and conditions of your Award. The offer of this Fellowship is conditional in all respects upon the acceptance of these terms and conditions of award by yourself and your host organisation. This offer is also on condition that we receive proof of the completion of your PhD (including successful viva) before the start of the fellowship. In case of any unforeseen changes to the original application, please contact the Royal Society (see below for contact details).

Your appointment should be referred to as a 'Newton International Fellow' and this title should be used at all times. The Newton International Fellowships is a partnership between three of the UK's national academies, The Royal Society, The British Academy and the Academy of Medical Sciences.

President Sir Venki Ramakrishnan Executive Director Dr Julie Maxton

Founded in 1660, the Royal Society is the independent scientific academy of the UK, dedicated to promoting excellence in science.

Registered Charity No 207043

Host organisation

The place of tenure for your fellowship is the John Innes Centre, under the supervision of Dr Janneke

The UK host is responsible for all programme arrangements within the UK for the visiting Fellow. Please note that the Royal Society cannot assist with issues of visas or work permits, which must be obtained with the assistance of your UK host organisation.

Start date and duration of award

Your Fellowship will start on 1 January 2018 and is scheduled to end on 31 December 2019. The duration of the Fellowship is 24 months.

Value and purpose of award

You will receive the following through your UK host organisation:

	Year 1 1/1/2018 - 31/12/2018	Year 2 1/1/2019 - 31/12/2019	Total
Subsistence Allowance	£24000	£24000	£48000
Research expenses	£8000	£8000	£16000
Relocation Expenses	£2000	£0	£2000
Total	£34000	£32000	£66000

In addition, the host organisation will receive an allowance for overhead expenses, amounting to 50% of the annual value of the Newton International Fellowship (including relocation expenses). You are not considered to be an employee of the UK host organisation, or the Royal Society for the duration of the Fellowship. It is expected however that your host organisation gives you the necessary departmental and institutional support to complete your Fellowship successfully, including adequate office and laboratory space and access to essential equipment, software and facilities. Research staff should be appointed on terms that are no less favourable than those of comparable posts

Research expenses

You may use the research expenses funding as appropriate to support your research in line with your application, there are however a few exceptions. Research expenses may not be used to cover:

- patent costs;
- any personal costs including that of dependents; and
- salary costs or other costs of administrative or research staff.

Please note that the costs of attending or organising conferences, workshops or seminars for the purposes of disseminating your research must be limited to £3,000 per year. We will consider requests to

Focus of the Newton International Fellowship Scheme

As a Newton International Fellow, you are expected to devote your time to research and not hold any other research or teaching positions in the UK.

Travel Overseas

You may undertake research visits abroad, during the tenure of your Fellowship, but these must not normally total more than one month per annum and must be essential to the research project. Prior approval must be obtained from the Royal Society for any research visits totalling more than one month. It is the responsibility of you and your UK host organisation to ensure that appropriate insurance is obtained for overseas travel and fieldwork.

Leave

Under the terms of your fellowship you are entitled to take the full period of maternity, paternity, shared parental, adoptive or extended sick leave as defined in your UK host organisation's standard organisational policy. A fully funded extension will be added to account for any time lost within the original period of the fellowship. Please get in touch with your Royal Society contact (as below) to receive a copy of the full policy or to request a period of leave from your fellowship. Requests for such leave must be made by you and approved by the Royal Society in advance of the leave period commencing.

Alumni programme

At the end of your fellowship, you will automatically become a member of the alumni programme. The aim of this programme is to provide ongoing networking opportunities in the UK. Newton International Fellows who have completed at least 18 months of their fellowship and who leave the UK at the end of their Fellowship may be eligible to apply for follow on funding, to support networking opportunities with research organisations in the UK. Further information will be provided at the end of your fellowship.

Engagement with the UK academies

Both during your stay in the UK as a Newton International Fellow, and as a long term Alumnus once you have left the UK, we will invite you to participate in a number of activities and professional training opportunities. We consider these engagements to be of mutual benefit and hope you will take advantage of these opportunities. The development of long term contacts between national academies and Newton International Fellows is regarded as a comerstone of this Fellowship.

You may wish to join the Newton International Fellows group on LinkedIn for updates on upcoming opportunities and to connect with the other Fellows: https://www.linkedin.com/groups/6692277

After your award has finished, we will contact you at regular intervals for further information on your career progression. It is expected that you will provide this information which will be crucial for sustaining and improving our international networking opportunities.

Reporting

In February/March each year those Fellows who are six months or more into their fellowship will be required to complete an annual report with details about their research activity in the previous financial year. Information from this annual report will update us of your individual progress and be used both to fulfil the Society's own reporting requirements and highlight the impact of Royal Society funding more

Within three months of the end of your fellowship you will be required to complete a final report, and your UK host organisation to submit a final financial income and expenditure statement.

During the period of your award, you are asked to identify clearly in all communications/publications the Royal Society as the funding source of your research fellowship. You are asked to describe your position as a Newton International Fellow.

Your support for your Newton Fellowship

Your contact at the Royal Society is Jessica East / Maria Magdalena Razalan, info@newtonfellowships.org. Please make sure that you, and especially your UK co-applicant and UK host organisation, include your fellowship reference code (see Our ref: at the top of this letter) on all the communications related to this award.

Acceptance and payment procedures

Your award will be paid directly to the host organisation via BACs transfer. The payments will be made in arrears in quarterly instalments.

A copy of this letter will be sent to Dr Janneke Balk.

Finally, we would like to offer our congratulations, once again, on receiving a Newton International

Yours sincerely,

Natasha Bevan

Offer Letter for Dr. Ankit Tandon

May 19, 2017

Dr. Ankit Tandon
Assistant Professor
Department of Environmental Sciences
School of Earth and Environmental Sciences
210, Temporary Academic Block
Central University of Himachal Pradesh
Shahpur, Kangra - 176206

Dear Dr. Tandon:

On behalf of North Carolina State University and the Department of Marine, Earth and Atmospheric Sciences in the College of Sciences, I am pleased to offer you an appointment as a Visiting Scholar. This appointment is unsalaried and does not carry faculty rank, with an appointment period not to six month beginning September 1, 2017 and ending February 28, 2018. This appointment is a courtesy affiliation with the University and is not subject to wages and benefits associated with paid employment.

The purpose of the position is to facilitate a research exchange between the School of Earth and Environmental Sciences in Shahpur and NC State University. The project will focus on measuring the influence of particle morphology and mixing state on the water uptake and cloud forming properties of sub-200 nm particles. You will work 40/hours per week performing laboratory experiments using organic and inorganic compounds that serve as proxy for naturally occurring atmospheric aerosols. The work will be performed at a NC State facility, located in Jordan Hall Addition 4226 under the supervision of Prof. Markus Petters. All compensation for the work will be provided by funds provided by the scholar. Funds for consumables (e.g. chemicals) will be provided by NC State University.

This appointment is contingent upon your agreement to abide by the policies and regulations of the University. The information on the attached addendum is incorporated into this letter. Please acknowledge your agreement and acceptance by signing this letter, and its incorporated addendum, and returning both to me by May 26, 2017. My colleagues and I are looking forward to you collaborating with us at NC State. Should you have any questions, please do not hesitate to contact me or our Personnel Representative, Mr. Greg Deleruyelle.

Sincerely,

Jay F. Levine, Interim Department Head

Markus Petters, Associate Professor

I accept this offer and agree to abide by the policies and regulations of the University.

Experience Certificate for Ankit Tandon

Feb 23, 2018

Dr. Ankit Tandon served as postdoctoral visiting scholar at NC State University between Sep 1, 2017 and Feb 26, 2018. During his visit Dr. Tandon performed laboratory experiments to test how hydrophobic organic coatings may hinder the ability of hygroscopic particles to serve as cloud condensation nuclei. Dr. Tandon learned how to operate aerosol generation, conditioning, and sizing equipment; specifically, a variant of the system described by Rothfuss and Petters (2016, Aerosol Science and Technology) was used. Dr. Tandon also learned how operate a cloud condensation nuclei counter operating in size and supersaturation resolved mode; specifically, a variant of the system described in Petters and Petters (2016, Journal of Geophysical Research, Atmospheres) was used. Dr. Tandon combined these two methods to generate particles of known composition and morphology and investigate how morphology affects the critical supersaturation of a particle. To interpret the results, new data processing software needed to be developed. As part of this Dr. Tandon has become proficient in data processing to infer the critical supersaturation, hygroscopicity parameter and temperature dependent viscosity of particles from raw instrument output which consists of a 1Hz time series of housekeeping variables.

During his visit Dr. Tandon made excellent contributions to advance the existing experimental capabilities as well as our understanding of the science how organic materials influence cloud condensation nuclei activity. I am excited about the manuscript that describes the work, which is currently in preparation.

I have had the great fortune that Dr. Tandon agreed to collaborate with us on this topic and wish him all the best in his future endeavors.

Sincerely,

Markus Petters

Dear Dr Verma,

The Royal Society has now considered your application for a Newton International Fellowship entitled "Genetic regulation of metal distribution in cereal crops", and we are delighted to inform you that your application has been successful. Securing a Newton International Fellowship is a major achievement; the scheme supports the development and training of postdoctoral researchers at an early stage in their career and provides you with a valuable opportunity to build long-lasting relationships with UK research institutions and networks.

In the following letter, we would like to set out the details of our offer. Please note that this award letter, together with the attached Conditions of Award as well as certain Policy and Position Statements, set out the terms and conditions of your Award. The offer of this Fellowship is conditional in all respects upon the acceptance of these terms and conditions of award by yourself and your host organisation. This offer is also on condition that we receive proof of the completion of your PhD (including successful viva) before the start of the fellowship. In case of any unforeseen changes to the original application, please contact the Royal Society (see below for contact details).

Your appointment should be referred to as a 'Newton International Fellow' and this title should be used at all times. The Newton International Fellowships is a partnership between three of the UK's national academies, The Royal Society, The British Academy and the Academy of Medical Sciences.

President Sir Venki Ramakrishnan Executive Director Dr Julie Maxton

Founded in 1660, the Royal Society is the independent scientific academy of the UK, dedicated to promoting excellence in science.

Registered Charity No 207043

Host organisation

The place of tenure for your fellowship is the John Innes Centre, under the supervision of Dr Janneke

The UK host is responsible for all programme arrangements within the UK for the visiting Fellow. Please note that the Royal Society cannot assist with issues of visas or work permits, which must be obtained with the assistance of your UK host organisation.

Start date and duration of award

Your Fellowship will start on 1 January 2018 and is scheduled to end on 31 December 2019. The duration of the Fellowship is 24 months.

Value and purpose of award

You will receive the following through your UK host organisation:

	Year 1 1/1/2018 - 31/12/2018	Year 2 1/1/2019 - 31/12/2019	Total
Subsistence Allowance	£24000	£24000	£48000
Research expenses	£8000	£8000	£16000
Relocation Expenses	£2000	£0	£2000
Total	£34000	£32000	£66000

In addition, the host organisation will receive an allowance for overhead expenses, amounting to 50% of the annual value of the Newton International Fellowship (including relocation expenses). You are not considered to be an employee of the UK host organisation, or the Royal Society for the duration of the Fellowship. It is expected however that your host organisation gives you the necessary departmental and institutional support to complete your Fellowship successfully, including adequate office and laboratory space and access to essential equipment, software and facilities. Research staff should be appointed on terms that are no less favourable than those of comparable posts

Research expenses

You may use the research expenses funding as appropriate to support your research in line with your application, there are however a few exceptions. Research expenses may not be used to cover:

- patent costs;
- any personal costs including that of dependents; and
- salary costs or other costs of administrative or research staff.

Please note that the costs of attending or organising conferences, workshops or seminars for the purposes of disseminating your research must be limited to £3,000 per year. We will consider requests to

Focus of the Newton International Fellowship Scheme

As a Newton International Fellow, you are expected to devote your time to research and not hold any other research or teaching positions in the UK.

Travel Overseas

You may undertake research visits abroad, during the tenure of your Fellowship, but these must not normally total more than one month per annum and must be essential to the research project. Prior approval must be obtained from the Royal Society for any research visits totalling more than one month. It is the responsibility of you and your UK host organisation to ensure that appropriate insurance is obtained for overseas travel and fieldwork.

Leave

Under the terms of your fellowship you are entitled to take the full period of maternity, paternity, shared parental, adoptive or extended sick leave as defined in your UK host organisation's standard organisational policy. A fully funded extension will be added to account for any time lost within the original period of the fellowship. Please get in touch with your Royal Society contact (as below) to receive a copy of the full policy or to request a period of leave from your fellowship. Requests for such leave must be made by you and approved by the Royal Society in advance of the leave period commencing.

Alumni programme

At the end of your fellowship, you will automatically become a member of the alumni programme. The aim of this programme is to provide ongoing networking opportunities in the UK. Newton International Fellows who have completed at least 18 months of their fellowship and who leave the UK at the end of their Fellowship may be eligible to apply for follow on funding, to support networking opportunities with research organisations in the UK. Further information will be provided at the end of your fellowship.

Engagement with the UK academies

Both during your stay in the UK as a Newton International Fellow, and as a long term Alumnus once you have left the UK, we will invite you to participate in a number of activities and professional training opportunities. We consider these engagements to be of mutual benefit and hope you will take advantage of these opportunities. The development of long term contacts between national academies and Newton International Fellows is regarded as a cornerstone of this Fellowship.

You may wish to join the Newton International Fellows group on LinkedIn for updates on upcoming opportunities and to connect with the other Fellows: https://www.linkedin.com/groups/6692277

After your award has finished, we will contact you at regular intervals for further information on your career progression. It is expected that you will provide this information which will be crucial for sustaining and improving our international networking opportunities.

Reporting

In February/March each year those Fellows who are six months or more into their fellowship will be required to complete an annual report with details about their research activity in the previous financial

10

year. Information from this annual report will update us of your individual progress and be used both to fulfil the Society's own reporting requirements and highlight the impact of Royal Society funding more

Within three months of the end of your fellowship you will be required to complete a final report, and your UK host organisation to submit a final financial income and expenditure statement.

During the period of your award, you are asked to identify clearly in all communications/publications the Royal Society as the funding source of your research fellowship. You are asked to describe your position as a Newton International Fellow.

Your support for your Newton Fellowship

Your contact at the Royal Society is Jessica East / Maria Magdalena Razalan, info@newtonfellowships.org. Please make sure that you, and especially your UK co-applicant and UK host organisation, include your fellowship reference code (see Our ref: at the top of this letter) on all the communications related to this award.

Acceptance and payment procedures

Your award will be paid directly to the host organisation via BACs transfer. The payments will be made in arrears in quarterly instalments.

A copy of this letter will be sent to Dr Janneke Balk.

Finally, we would like to offer our congratulations, once again, on receiving a Newton International

Yours sincerely,

Natasha Bevan

MELOW - The Society for the Study of the Multi-Ethnic Literatures of the World

This is an academic organization, one of the foremost of its kind in India. The members are college and university teachers, scholars and critics interested in literature, particularly in American Literature and World Literatures. The Organization meets almost every year over an international conference. It seeks to maintain academic standards, encourages younger scholars and provides a forum for senior scholars in literature.

MELOW CONFERENCE CALL OCT 2023

CALL FOR PAPERS

23rd MELOW INTERNATIONAL CONFERENCE

To be held at Shoolini University, Solan, HP, on

6-8 October 2023

Borders, Boundaries, Lines of Control: Literature across Disciplines in Contemporary Times

Ever since English literature made its way into academia, after enjoying a healthy relationship with other fields of knowledge for centuries, its connection with them became somewhat ambivalent, largely because of what Joe Moran calls its "woolly and ill-focused" disciplinary character. This is reflected in the thinking and practice of several academic scholars who pleaded simultaneously for its limited interdisciplinarity and disciplinary consolidation and its "intrinsic" as well as "extrinsic" readings. To get over this ambivalence and its resultant anomalies, some tightened the disciplinary boundaries of literature with so much unbounded fervour that literature lost its connection with its very wellspring: life and its varied manifestations. Fortunately, soon after, people within the academy realized the need to restore literature's connection with life by linking it with other branches of knowledge, but within the varied rubrics of isms, posts, and post-posts, which created new constricting prisms for reading literature.

ABOUT MELOW

MELOW (The Society for the Study of the Multi-Ethnic Literatures of the World) was first set up in 1997 as MELUS-India. It is an academic organization, among the foremost of its kind in India. The members are college and university teachers, scholars and critics interested in literature, particularly in world literatures, and literary connections across borders of time and space. The organization meets every year over an international conference. It seeks to maintain academic standards, encourages younger scholars, and provides a forum for a fruitful exchange between upcoming and senior scholars in literature.

MEJO. The MELOW revamped journal has existed in hard print for about a decade. The forthcoming issue, to be released in February 2023, comprises a selection of papers presented at the 22nd MELOW Conference held at Goa in Sept 2022.

Our ref: AL\201038 - Newton International Fellowships Alumni 2020

Dear Dr Verma,

The Royal Society has now considered your application for the **Newton International Fellowships Alumni 2020**, and we are delighted to inform you that your application for follow on funding has been successful.

In the following, I would like to set out the details of the Society's offer of award. Please note that this award letter sets out the terms and conditions of your Award. The award of this grant is conditional in all respects upon the acceptance of these terms and conditions of award by you.

Award Details

Applicant: Dr Shailender Verma

Applicant Country: India

Project Title: Eradicating micronutrient deficiencies: Optimizing essential metal content and availability

in seeds of wheat for global health

Start Date: 01 July 2020 End Date: 30 June 2022 Duration: 24 months Award Value: £6,000.00

The funding is to be used to support eligible costs associated with the award including travel and subsistence, and, if applicable, some research expenses of the project (as detailed in the scheme notes). The award total will be paid in its entirety at the start of the award. Any unspent funds must be returned to the Society at the end of the award or will be subtracted from the total amount awarded to you as follow on support in subsequent years.

Should award finances remain unspent at the very end of the award period (5 years), then these must be returned promptly to the Society following reconciliation of the award. A reconciliation statement must be completed and returned within 3 months of the end date of the award period. The completed

final reconciliation statement received by the Royal Society represents the final statement of expenditure for the Award.

The applicant is responsible for all travel and programme arrangements related to the award. The Royal Society cannot assist with issues relating to visas and work permits.

Acceptance and payment procedures

You are required to accept this offer of award online. You will find instructions for accepting the offer online in the accompanying cover e-mail.

Please confirm acceptance of award within 2 weeks of the offer being issued.

If you have elected to have the award funding paid to your organisation, you are required to forward this letter to your Research Services office as evidence of your award, including details of the start and end date of the award.

Award finances will be paid in to the account for which you have provided details upon notification of the award. Payments will be made processed at the end of November and paid by BACS transfer via our approved Foreign Exchange supplier. Please allow as least **15 days** for funding to reach your account.

Reporting

As a condition of this award, you are required to submit a final report within three months of the end date of the award (i.e. after 5 consecutive years from the completion of your Newton International Fellowship). The final report comprises a short questionnaire which should be completed online. Further details on how to submit a final report will be sent to you in due course.

Change Requests

The Society will consider change requests during the tenure of your award and expects to be formally notified of any change requests, including termination of your award prematurely, at least **one month** prior to the change taking effect, or in the case of changes to your personal circumstances, as soon as is reasonably possible. Should you wish to make a change request on your current award then please contact your scheme manager who will provide you with the current link to the Flexi-Grant change request form.

Data Sharing with Partners and Funders

As part of our agreement with our funders and partners (or their representatives), the personal data you provide in your application, subsequent reports, and financial statements will be used for the purposes of:

- Reporting activities, research outputs and impacts arising from grants and awards;
- Monitoring and evaluation, including statistical analysis in relation to the evaluation of research and the study of trends;
- · Contacting you about our activities and events or those of the partner/funder

The Royal Society may also publish basic details of successful awards on its websites and other publicly available databases, and in reports, documents and mailing lists.

Your support at the Royal Society

For any queries relating to this award please contact us by e-mail: alumni@newtonfellowships.org

Finally, we would like to offer you our congratulations on obtaining follow on support.

Yours sincerely

Natasha Bevan

The TMT International Observatory LLC (TIO), a non-profit organization, was established in May 2014 to carry out the construction and operation phases of the TMT Project. The Members of TIO are Caltech, the University of California, the National Institutes of Natural Sciences of Japan, the National Astronomical Observatories of the Chinese Academy of Sciences, the Department of Science and Technology of India, and the National Research Council (Canada); the Association of Universities for Research in Astronomy (AURA) is a TIO Associate. Major funding has been provided by the Gordon & Betty Moore Foundation.

Borders, Boundaries, Lines of Control: Literature across Disciplines in Contemporary Times

Ever since English literature made its way into academia, after enjoying a healthy relationship with other fields of knowledge for centuries, its connection with them became somewhat ambivalent, largely because of what Joe Moran calls its "woolly and ill-focused" disciplinary character. This is reflected in the thinking and practice of several academic scholars who pleaded simultaneously for its limited interdisciplinarity and disciplinary consolidation and its "intrinsic" as well as "extrinsic" readings. To get over this ambivalence and its resultant anomalies, some tightened the disciplinary boundaries of literature with so much unbounded fervour that literature lost its connection with its very wellspring: life and its varied manifestations. Fortunately, soon after, people within the academy realized the need to restore literature's connection with life by linking it with other branches of knowledge, but within the varied rubrics of isms, posts, and post-posts, which created new constricting prisms for reading literature.

Subject: IMPRESS Scheme: Participation as an Expert

Dear Professor Pradeep Nair,

As you are aware that the 1^{st} call for awarding Research Projects to scholars under IMPRESS scheme - Impactful Policy Research in Social Science – has been successfully completed with the collective efforts and your support. We express our gratitude for the same.

The 2nd call for receiving Research Proposals from scholars under IMPRESS scheme has been announced on September 17, 2019 which will remain open for 30 days. The procedure of blind-peer review will soon commence. Each proposal will be assigned to 3 Experts to evaluate it for recommendation / not recommendation.

As per our information, you are an Expert of an area which falls under IMPRESS domains. The area which covers the domain under IMPRESS are as follows:

- State and Democracy
- Urban Transformation
- Media, Culture and Society
- Employment Skills and Rural Transformation
- Governance, Innovation and Public Policy
- Growth, Macro Trade and Economic Policy
- Agriculture and Rural Development
- Health and Environment
- Science and Education
- Social Media and Technology

Politics, Law and Economics

We request you to spare your valuable time to review proposals online.

The expert will render comments on all proposals assigned to him/her in a specified computerised format within a two weeks' time for which an honorarium of Rs. 300/- per proposal will be paid. We are considering your name as one of the experts of identified domain(s) and so, we need your consent as an expression of your willingness to render your services.

Since assigning of proposals is auto-generated by computer and because of inter-disciplinary domains, you may receive a few proposals mismatching which may not be of interest to you and you may not intent to review those. In that case, you are requested to send us "non-acceptance" by clicking "Not Interested".

In ICSSR's view, your expertise may be utilized to review the proposals in the following order of preference of domains:

Order of Preference

- 1 Social Media and Technology
- 2 Media, Culture and Society

3

In case you wish to change the preference of domains you may change it from the above mentioned 11 domains.

A reply within three-four days will be highly appreciated.

Regards

Yours truly,

Dear Dr. Chatterjee,

I am very happy to inform you that your term of Visiting Associateship at IUCAA has been extended for a further period of three years with effect from August 1, 2020. We hope that this will enable you to continue to make good use of our facilities through your next term, and that your visits to IUCAA will prove to be very productive.

I am enclosing along with this letter of invitation (1) a copy of the letter I have sent to the Vice-Chancellor of your University, explaining the programme and requesting him/her to treat your visits to IUCAA under this programme as "on duty", (2) a copy of a letter sent in September 2, 2004 to the Vice-Chancellors of different universities by Professor Arun Nigavekar, the then Chairman of the University Grants Commission (UGC). You may use these letters when you apply for leave for visits to IUCAA, if you find that necessary.

I shall look forward to your response to this letter of invitation and hope that IUCAA will benefit from your regular visits, participation and advice. The Terms and Conditions of the Associateship Programme are also enclosed along with this letter.

With kind regards,

Sincerely,

Professor Kandaswamy Subramanian

Prof. Kandaswamy Subramanian Dean. Visitor Academic Programmes

September 11, 2020

The Vice-Chancellor, Central University of Himachal Pradesh, Temporary Academic Block, Kangra - 176 206, Himachal Pradesh.

Dear Sir / Madam,

As you are aware, the Inter-University Centre for Astronomy and Astrophysics (IUCAA) has been set up by the University Grants Commission (UGC) to promote and nucleate astronomy and astrophysics in the universities and affiliated colleges. To this end, IUCAA has launched a number of programmes on its campus at Pune and also on the campuses of various universities and colleges. In particular, arrangements have been made to facilitate the usage by interested students and faculty of universities and colleges of centralized facilities at Pune, such as an advanced Computer Centre with High Performance Computing facility, a state-of-the-art library, the Instrumentation Laboratory and observational facilities including the South African Large Telescope (SALT) at Sutherland. IUCAA is also involved in a number of large projects of national and international importance like ASTROSAT, LIGO-India, the Thirty Metre Telescope, etc.

One major activity in this context is the Associateship Programme. Under this programme, faculty members of universities and colleges, who are made Visiting Associates of IUCAA, can make visits to IUCAA for specified periods to participate in the teaching and research and development activities in astronomy and astrophysics. For such purposes, the universities and colleges are encouraged to regard IUCAA as their field station, whose facilities are at their disposal. Indeed, Professor Arun Nigavekar, the then Chairman of the UGC, has written in 2004 to all the university Vice-Chancellors urging them to look upon IUCAA in this spirit and to make it possible for the Visiting Associates to use its facilities to the maximum extent possible. I enclose for your ready reference a copy of this letter from the Chairman.

As part of the Associateship Programme, IUCAA has selected 18 new Visiting Associates this year and has extended the term of 50 Visiting Associates for a further period of three years. I am happy to inform you that **Dr. Ayan Chatterjee** from your University has been selected a Visiting Associate for three years from August 1, 2020. Under the Associateship Programme, IUCAA will pay the travel and per diem of the Visiting Associates coming to IUCAA for their scientific work.

I do hope that you will encourage Dr. Chatterjee to take advantage of this offer. I request you to treat Dr. Chatterjee's stay at IUCAA as a part of his duties and to provide him with leave as "on duty" so that he can make good use of his Associateship. I enclose the Terms and Conditions of the Associateship Programme for your information.

With kind regards,

Sincerely,

Kandarwany Stramarian.

D.O. No. F.1-11/2004 (CM/IUC)

Dear

The University Grants Commission has set up a number of Inter-University Centres and Consortia in order to provide front line research and developmental facilities to the staff and students from universities and colleges in selected thrust areas. It is extremely important, therefore, that the prospective users of the Inter-University Centres are freely permitted to participate in their various programmes as if they are "on duty". In some universities, it is noted that the scholars' visits were not considered as on duty.

Amongst such Centres, the Inter-University Centre for Astronomy and Astrophysics (IUCAA) has an Associateship programme under which selected Associates from universities and colleges are invited to visit IUCAA as Associates of the Centre. Each Associate has a tenure of three years, which can be renewed depending on his/her performance, in teaching, research and developmental activities. It is understood that during these three years, the Associate visits IUCAA several times for visits of at least two weeks duration at a time, without compromising with his/her lecturing and other duties in the parent institution. Their visits are fully covered by IUCAA and hence has no financial implication to the university/college.

IUCAA has a number of facilities like an excellent Library, state of the art Computer Centre, Virtual Observatory as well as an Instrumentation Laboratory where the university staff members can make their own instruments as well as participate in collaborative instrumentation projects. As of now, IUCAA has over eighty Associates on Its roll. In order to improve their efficiency, it is important that they are permitted to take advantage of these facilities as much as possible.

I, therefore, urge you to facilitate the participation of Associates from your Institution in the above programme by treating their leave of absence as on duty when they visit IUCAA, which is specifically created by the University Grants Commission as a common facility for all universities.

With kind regards,

Yours sincerely,

(Arun Nigavekar)

TERMS AND CONDITIONS OF IUCAA'S ASSOCIATESHIP PROGRAMME

- Visiting Associateship is awarded to a faculty member of a college, university department or institution, which has the status
 of a university recognized by the UGC.
- Visiting Associateship is awarded for a period of three years at a time. If a Visiting Associate ceases to have a formal link
 with a college or university during the period of an Associateship, then the Associateship stands terminated. Information
 regarding such a change should be conveyed to the Dean, Visitor Academic Programmes.
- A Visiting Associate can visit IUCAA a maximum of three times as an Associate during each academic year, which extends from August 1 to July 31. There has to be at least one visit during each academic year.
- A visit under the Visiting Associateship programme has to be preferably at least of 15 days duration. A maximum of 150 days can be spent at IUCAA during any one academic year.
- During the three year period of a Visiting Associateship, there can be a maximum of six visits, totally to a maximum of 365 days.
- Travel: It is expected that journeys will generally be by air or rail or road by the direct shortest route. All Visiting Associates
 are entitled to travel by train AC-II tier. Travel reimbursement will only be to the extent of the actual class of travel upto ACII tier. The claimant will have to produce to and fro tickets/copies of tickets.

Limited funds are available for air travel of Visiting Associates. Air travel may be permitted subject to the following conditions:

- (a) Grade Pay of the claimant is at least Rs. 5400/- or equivalent per month.
- (b) The claimant stays at IUCAA for a minimum of 15 days.
- (c) Air travel should be by Air India flights only as per GOI rules.

Even when these conditions are satisfied, prior approval from the Dean, Visitor Academic Programmes will have to be obtained. Air travel over special sectors, especially in the North-Eastern parts of the country, may be permitted even when the conditions (a) and (b) are not met. Details about this may be had from the Administrative Officer (Visitor Services). The air travel will have to be by the shortest direct route. Those who are not eligible for air travel can choose to travel by air with the understanding that they will be reimbursed only to the extent of eligible train fare or actual air fare, whichever is lower.

- Daily Allowance (DA): Visiting Associates are paid DA @ Rs. 600/- per day with free lodging. Charges for Canteen, Cable
 TV and cooking gas, wherever applicable, will be recovered.
- Acknowledgement: Visiting Associates should not give IUCAA as their affiliation. But those who use the IUCAA facilities
 for research work leading to publications should acknowledge IUCAA in their publication.
- Accommodation: We try to ensure that Visiting Associates are accommodated whenever they wish to visit IUCAA. However, there is very high demand during vacations, when most visitors like to come to IUCAA. All intending visitors are, therefore, urged to write to us about their plans for a stay at IUCAA at least two months in advance. This is particularly necessary for family accommodation, since the number of units, which can accommodate families is very limited. Please write to us well in advance with alternative dates and await confirmation from us. You will be guaranteed accommodation on arrival at IUCAA only if you have a word of confirmation sent by us.
- Visit by research students of Visiting Associates: The students should write to the Dean, Visitor Academic Programmes, along with a copy of their bio-data, proposed plan of work at IUCAA, and a recommendation by the concerned Visiting Associate.

At a given time, only one student of a Visiting Associate can visit IUCAA. It is not essential for the guide/the concerned Visiting Associate to be present at the time of a student's visit, except for students who are visiting for the first time.

The DA entitlement for research students (registered for M. Phil/Ph.D.) is Rs. 300/- per day with free lodging, and canteen will be charged. They are entitled to travel by train by AC Chair Car or AC –III tier by the direct shortest route. Travel by AC-II tier will be permitted only if the trains on the shortest route do not have any of the above classes. The tickets/copies of the tickets will have to be submitted with the claim. However, the following provisions apply:

Research Students with fellowship: Students with fellowship will have to pay for travel from their contingency grant. When such a grant is not available, they should write in advance to the Dean, Visitor Academic Programmes for travel reimbursement.

Research Students without fellowship: They will be paid for their travel and DA (with free lodging; canteen will be charged), for the full period of their stay. The guide of such students will have to submit a letter to the effect that the students do not have fellowship.

At the end of the visit, all students are required to submit a report to the Dean, Visitor Academic Programmes about the work done at IUCAA.

Canteen charges at present are as follows:

Services	IUCAA members, Visiting Associates, Visiting Students and IUCAA Visitors	All others
Breakfast	Rs. 25.00	Rs. 60.00
Lunch	Rs. 39.00	Rs. 94.00

Our ref: AL\211022 - Newton International Fellowships Alumni 2021

Dear Dr Verma.

The Royal Society has now considered your application for the **Newton International Fellowships Alumni 2021**, and we are delighted to inform you that your application for follow on funding has been successful.

In the following, I would like to set out the details of the Society's offer of award. Please note that this award letter sets out the terms and conditions of your Award. The award of this grant is conditional in all respects upon the acceptance of these terms and conditions of award by you.

Award Details

Applicant: Dr Shailender Kumar Verma

Applicant Country: India

Project Title: Crop metallomics: fractionation and identification of zinc-binding proteins in wheat.

Start Date: 01 July 2021 End Date: 31 December 2022

Duration: 18 months **Award Value:** £6,000.00

The funding is to be used to support eligible costs associated with the award including travel and subsistence, and, if applicable, some research expenses of the project (as detailed in the scheme notes). The award total will be paid in its entirety at the start of the award. Any unspent funds must be returned to the Society at the end of the award or will be subtracted from the total amount awarded to you as follow on support in subsequent years.

Should award finances remain unspent at the very end of the award period (5 years), then these must be returned promptly to the Society following reconciliation of the award. A reconciliation statement must be completed and returned within 3 months of the end date of the award period. The completed final reconciliation statement received by the Royal Society represents the final statement of expenditure for the Award.

NIF Alumni Follow-on funding Award Letter 11/20

The applicant is responsible for all travel and programme arrangements related to the award. The Royal Society cannot assist with issues relating to visas and work permits.

Acceptance and payment procedures

You are required to accept this offer of award online. You will find instructions for accepting the offer online in the accompanying cover e-mail.

Please confirm acceptance of award within 2 weeks of the offer being issued.

If you have elected to have the award funding paid to your organisation, you are required to forward this letter to your Research Services office as evidence of your award, including details of the start and end date of the award.

Award finances will be paid in to the account for which you have provided details upon notification of the award. Payments will be made processed at the end of October and paid by BACS transfer via our approved Foreign Exchange supplier. Please allow as least **15 days** for funding to reach your account.

Reporting

As a condition of this award, you are required to submit a final report within three months of the end date of the award (i.e. after 5 consecutive years from the completion of your Newton International Fellowship). The final report comprises a short questionnaire which should be completed online. Further details on how to submit a final report will be sent to you in due course.

Change Requests

The Society will consider change requests during the tenure of your award and expects to be formally notified of any change requests, including termination of your award prematurely, at least **one month** prior to the change taking effect, or in the case of changes to your personal circumstances, as soon as is reasonably possible. Should you wish to make a change request on your current award then please contact your scheme manager who will provide you with the current link to the Flexi-Grant change request form.

Data Sharing with Partners and Funders

As part of our agreement with our funders and partners (or their representatives), the personal data you provide in your application, subsequent reports, and financial statements will be used for the purposes of:

- Reporting activities, research outputs and impacts arising from grants and awards;
- Monitoring and evaluation, including statistical analysis in relation to the evaluation of research and the study of trends;
- Contacting you about our activities and events or those of the partner/funder

The Royal Society may also publish basic details of successful awards on its websites and other publicly available databases, and in reports, documents and mailing lists.

Dr. Neeraj Gupta Research Scientist **Jubilant Organosys** C-26, Sector 59, NOIDA 201 301 Uttar Pradesh (M): +91-9817192256

Dear Dr. Gupta:

This has reference to your interview you had with our National Selection Committee at USIEF House, New Delhi on November 30, 2010 for a 2011-2012 Fulbright-Nehru Postdoctoral Research Fellowship.

I am happy to inform you that the National Selection Committee for the 2011-2012 Fulbright-Nehru Postdoctoral Research Fellowships has recommended your name on the principal panel for further consideration to the J.W. Fulbright Foreign Scholarship Board (FSB) in Washington D.C. We hope to have the final decision of the FSB about your grant some time in March/April 2011. The grant which is for a maximum period of upto 12 months is tenable in the 2011-2012 academic year. You should be able to start your grant ideally from August 2011 onwards.

All formalities connected with the administration of the fellowship and your affiliation in the United States will be the responsibility of our cooperating agency, the Council for International Exchange of Scholars (CIES), Washington D.C. You will be required to fill in a number of forms that we will need to forward to Washington, D.C. for further action. My colleague Ms. Sarina Paranjape will be writing to you separately regarding these formalities.

Please acknowledge receipt of this letter immediately. I look forward to hearing from you.

With best wishes

Yours sincerely

ਪੰਜਾਬੀ ਸਾਹਿਤ ਅਕਾਡਮੀ ਲੁਧਿਆਣਾ ਪੰਜਾਬੀ ਲੇਖਕਾਂ, ਵਿਦਵਾਨਾਂ ਤੇ ਬੁੱਧੀਜੀਵੀਆਂ ਦੀ ਸ਼੍ਰੋਮਣੀ ਸੰਸਥਾ ਹੈ। ਇਸ ਦੇ ਪੰਦਰਾਂ ਸੈਂ ਦੇ ਕਰੀਬ ਲੇਖਕ ਜੀਵਨ-ਮੈਂਬਰ ਹਨ। ਇੱਕ ਸੌਂ ਤੋਂ ਉਪਰ ਪੰਜਾਬੀ ਭਾਸ਼ਾ ਤੇ ਸਭਿਆਚਾਰ ਦੇ ਹਿਤੈਸੀ ਸਰਪ੍ਰਸਤ ਦੇ ਤੌਰ ਤੇ ਇਸ ਸੰਸਥਾ ਨਾਲ ਦਤੋਂ ਹੋਏ ਹਨ। 25 ਅਪ੍ਰੈਲ, 1954 ਨੂੰ ਪੰਜਾਬੀ ਨਾਲ ਮੋਹ-ਪਾਲਣ ਬਾਰੇ ਚੰਦ ਕੁ ਲੇਖਕ ਮਿੱਤਰਾਂ ਨੇ ਇਸ ਦੀ ਬੁਨਿਆਦ ਰੱਖੀ। ਇਸ ਦੇ ਪਹਿਲੇ ਪ੍ਰਧਾਨ ਡਾ. ਭਾਈ ਜੋਧ ਸਿੰਘ ਜੀ ਸਨ। ਉਹਨਾਂ ਉਪਰੰਤ ਡਾ. ਮਹਿੰਦਰ ਸਿੰਘ ਰੰਧਾਵਾ, ਪ੍ਰੋ. ਪ੍ਰੀਤਮ ਸਿੰਘ, ਗਿਆਨੀ ਲਾਲ ਸਿੰਘ, ਡਾ. ਸਰਦਾਰਾ ਸਿੰਘ ਜੌਹਲ, ਸ. ਅਮਰੀਕ ਸਿੰਘ ਪੂੰਨੀ, ਡਾ. ਸੁਰਜੀਤ ਪਾਤਰ, ਡਾ. ਦਲੀਪ ਕੌਰ ਟਿਵਾਣਾ ਇਸ ਸੰਸਥਾ ਦੀ ਵਾਗਡੋਰ ਸੰਭਾਲਦੇ ਰਹੇ ਹਨ। ਅੱਜਕਲ ਪ੍ਰੋ. ਗੁਰਭਜਨ ਸਿੰਘ ਗਿੱਲ ਇਸ ਦੇ ਪ੍ਰਧਾਨ ਹਨ। ਹਰ ਦੋ ਸਾਲਾਂ ਬਾਅਦ ਇਸ ਦੀ ਚੋਣ ਹੁੰਦੀ ਹੈ।

ਇਸ ਸੰਸਥਾ ਪਾਸ ਲੁਧਿਆਣਾ ਸ਼ਹਿਰ ਦੇ ਵਿਚਕਾਰ ਆਪਣਾ ਘਰ 'ਪੰਜਾਬੀ ਭਵਨ' ਹੈ। ਇਸ ਭਵਨ,ਦਾ ਨੀਂਹ-ਪੱਥਰ ਭਾਰਤ ਦੇ ਰਾਸਟਰਪਤੀ ਸਰਵਪਲੀ ਡਾ. ਰਾਧਾ ਕ੍ਰਿਸ਼ਨਨ ਜੀ ਨੇ ਆਪਣੇ ਹੱਥੀਂ ਰੱਖਿਆ ਸੀ। ਇਸ ਭਵਨ ਵਿਚ ਛੇ ਹਜ਼ਾਰ ਦਰਸ਼ਕਾਂ ਦੀ ਸਮਰੱਥਾ ਵਾਲਾ ਬਲਰਾਜ ਸਾਹਨੀ ਯਾਦਗਾਰੀ ਓਪਨ ਏਅਰ ਬੀਏਟਰ, ਇਕ ਖ਼ੂਬਸੂਰਤ ਸੈਮੀਨਾਰ ਹਾਲ, ਆਧੁਨਿਕ ਭਾਂਤ ਦੀ ਆਰਟ ਗੈਲਗੇ, ਇਕ ਭਰਪੂਰ ਤੇ ਵਿਸ਼ਾਲ ਰੈਫ਼ਰੈਂਸ ਅਤੇ ਖੋਜ ਲਾਇਬੁਰੀ, ਕੰਨਟੀਨ, ਚੇਤਨਾ ਪੁਕਾਸਨ, ਲੋਕ ਗੀਤ ਪ੍ਰਕਾਸਨ ਦੀ ਬੁੱਕ-ਸ਼ਾਪ ਤੋਂ ਬਿਨਾ ਨਿੜ੍ਹਾ ਭਾਸ਼ਾ ਅਕਸਰ ਦਾ ਦਫ਼ਤਰ ਤੇ ਪੰਜਾਬ ਸਕੂਲ ਸਿੱਖਿਆ ਖੋਰਡ ਦਾ ਜ਼ਿਲ੍ਹਾ ਡੀਪੂ ਵੀ ਹੈ। ਹਰਾ ਭਰਾ ਵਿਸ਼ਾਲ ਲਾਅਨ ਵੀ ਇਸ ਦੀ ਸ਼ੋਭਾ ਵਧਾਉਂਦਾ ਹੈ। ਪ੍ਰਬੰਧਕੀ ਬਲਾਕ ਤੋਂ ਬਿਨਾਂ ਲੇਖਕ-ਘਰ ਵੀ ਹੈ, ਜਿਥੇ ਖੋਜਾਰਬੀ ਤੇ ਲੇਖਕ ਰਹਿ ਸਕਦੇ ਹਨ।

ਪੰਜਾਬੀ ਭਾਸ਼ਾ ਤੇ ਸਾਹਿੱਤ ਦੇ ਪ੍ਰਚਾਰ-ਪ੍ਰਸਾਰ ਨਾਲ ਸੰਬੰਧਿਤ ਇਸ ਅਕਾਡਮੀ ਨੇ ਰਾਸ਼ਟਰੀ ਪੱਧਰ ਦੀਆਂ ਕਾਨਫਰੰਸਾਂ ਵੀ ਕੀਤੀਆਂ। ਸਾਹਿਤ ਸਿਰਜਣਾ, ਸਾਹਿਤ ਸਮੀਖਿਆ ਪ੍ਰਤੀ ਸੈਮੀਨਾਰ ਕਰਨੇ, ਕਵੀ ਦਰਬਾਰ, ਸੰਗੀਤਕ ਸ਼ਾਮਾਂ, ਨਾਟਕ-ਮੇਲੇ ਅਤੇ ਡਾ. ਭਾਈ ਜੋਧ ਸਿੰਘ ਤੇ ਡਾ. ਐਮ. ਐਸ. ਰੰਧਾਵਾ ਯਾਦਗਾਰੀ ਲੈਕਚਰਾਂ ਦੀ ਲੜੀ ਵੀ ਇਸ ਦੇ ਕਾਰਜ-ਖੇਤਰ ਦਾ ਹਿੱਸਾ ਹਨ। ਪੰਜਾਬੀ ਦਾ ਤ੍ਰੈਮਾਸਿਕ ਪਰਚਾ 'ਆਲੋਚਨਾ' ਵੀ ਨਿਰੰਤਰ ਪ੍ਰਕਾਸ਼ਿਤ ਹੋ ਰਿਹਾ ਹੈ। ਅਕਾਡਮੀ ਦੀਆਂ 100 ਦੇ ਕਰੀਬ ਪੁਸਤਕਾਂ ਪ੍ਰਕਾਸ਼ਿਤ ਹੋ ਚੁੱਕੀਆਂ ਹਨ।

ਹਰ ਸਾਲ ਸ. ਕਰਤਾਰ ਸਿੰਘ ਧਾਲੀਵਾਲ ਪੁਰਸਕਾਰ, ਮਾਤਾ ਜਸਵੰਤ ਕੌਰ ਸਰਬੋਤਮ ਮੌਲਿਕ ਬਾਲ ਪੁਸਤਕ ਪੁਰਸਕਾਰ ਅਤੇ ਪ੍ਰੋ. ਕੁਲਵੰਤ ਜਗਰਾਉਂ ਯਾਦਗਾਰੀ ਪੁਰਸਕਾਰ ਤੋਂ ਬਿਨਾਂ ਪੰਜਾਬੀ ਸਾਹਿਤ ਅਕਾਡਮੀ ਲੁਧਿਆਣਾ ਦਾ ਸਰਵਉੱਚ ਸਨਮਾਨ 'ਫ਼ੈਲੋਸ਼ਿਪ' ਵੀ ਪੁਦਾਨ ਕੀਤੀ ਜਾਂਦੀ ਹੈ।

ਆਪ ਜੀ ਇਸ ਜ਼ਿਕਰਯੋਗ ਸੰਸਥਾ ਦੇ ਜੀਵਨ ਮੈਬਰ ਬਣੇ ਹੋ ਆਪ ਦਾ ਨੰ: ਐੱਲ-----ਰੈ। ਤੁਹਾਡਾ ਇਹ ਹੁੰਗਾਰਾ ਸਾਨੂੰ ਬਲ ਹੀ ਨਹੀਂ ਬਖਸ਼ੇਗਾ ਸਗੋਂ ਸਾਡੀ ਕਾਰਜ-ਵਿਧੀ ਵਿਚ ਇਕ ਸੇਧ ਤੇ ਤੇਜ਼ੀ ਵੀ ਲਿਆਵੇਗਾ। ਤੁਹਾਡਾ ਸਹਿਯੋਗ ਇਸ ਸੰਸਥਾ ਲਈ ਸਾਰਥਿਕ ਸਿੱਧ ਹੋਵੇਗਾ। ਅਸੀਂ ਸਮੇਂ ਤੁਹਾਨੂੰ ਅਕਾਡਮੀ ਦੇ ਕਾਰਜਾ ਤੇ ਵਾਕਿਫ਼ ਕਰਵਾਉਂਦੇ ਰਹਾਗ।

ਬੜੇ ਹੀ ਮਾਣ ਤੇ ਮੋਹ ਨਾਲ,

TO ALL MEMBERS:

Reg.: Life Membership Fee of Indian Society of Agricultural Economics

Dear Sir/Madam,

As you are aware the Indian Society of Agricultural Economics has been making renewed efforts for augmenting the Society's resources since last few years for carrying out the day-to-day activities of the Society. Due to exorbitant increase in the cost of printing of Indian Journal of Agricultural Economics, postage and other overhead expenses, the Life Membership fee was revised to Rs.10000/effectively from January 1, 2017.

You have been a Life Member of Indian Society of Agricultural Economics since 2011 and had paid an amount of Rs.5000 in November 2011. You are therefore requested to kindly remit the balance amount of Rs.5000. I am sure all our esteemed members would appreciate our position and remit the balance amount at the revised rates. The bank account details are given below:

Account Name : The Indian Society of Agricultural Economics

Account Number : 54025434745
Bank Name : State Bank of India
Branch : Dalal Street, Mumbai

IFSC Code : SBIN0040433 MICR Code : 400002467

Kindly inform us when the amount is remitted to our account with necessary transaction details.

Your early action in this regard will be highly appreciated.

Thanking you and with kind regards,

Yours sincerely,

Dear Shabab Ahmad,

Thank you for becoming a member of ISSUP India. Please be advised that, after a review of our membership process, we have decided that all members will now be 'ISSUP' members, and membership at a national level will no longer apply. You will still have access to all the resources available on our website, and there will be no change in your user experience. National Chapters will keep you informed of ISSUP activities which may be relevant to you as an ISSUP member. We hope you find our new membership model more appealing as we strive to promote our global message.

Thank you

Dear IPSA Member, (CC RC44 chair Steven Ratuva)

I hope this e-mail finds you well.

Have you enjoyed this year's IPSA congress in Brisbane? I am vice-chair of Research Committee 44 on Security, Conflict and Democratization, and judging from your presentation in Brisbane, I though you might be interested in participating at our RC events.

We are going to have a joint conference with several RCs next year on August 10-11 in Nagasaki about "Global Risk, Security, and Ethnicity" and we hope you might be willing to participate.

Dear Mr. Sandip Kumar Singh,

Your membership with the International Political Science Association (IPSA) will expire at the end of 2018. Don't delay and renew now! The easy-to-use and secure IPSA online account keeps your previous record for a quicker transaction.

Click below to renew your membership for 2019!

Renew Now

Renewing your membership will allow you to keep enjoying the IPSA membership benefits.

Wouldn't you agree that these benefits are worth keeping!

Be part of one or more of our **50 Research Committees** made up of thousands of political scientists worldwide.

Participate in IPSA World Congresses and events.

Online access to ALL IPSA publications and their archives.

Online resources offered **exclusively** to members.

And much more...

For the first time ever, the **online version** of the **International Political Science Abstracts** is now available to all IPSA members in their IPSA online profile.

The *Abstracts* is an essential roadmap to literature in political science and its related fields, a truly global resource, providing non-evaluative abstracts of articles published in scholarly journals from every region of the world.

Learn more about benefits and rates

Your contribution is crucial to furthering our mission to promote the advancement of political science throughout the world. For example, the continuous support of the political science community helps IPSA develop programs for political scientists from developing countries (Summer School) and increase their participation in IPSA activities (Global South Solidarity Fund).

We thank you in advance for retaining your membership. If you have any questions, please feel free to contact me.

INTERNATIONAL STUDIES ASSOCIATION

Dear ISA Member and Prospective ISA 2021 Attendee,

In each of our professional and personal lives, we are "planning" the coming year's activities amidst a great deal of uncertainty and even anxiety. The situation is no different for ISA. As we look toward the ISA 2021 Annual Convention, we are diligently working to plan an event that provides a high-level intellectual experience while also accounting for the needs of health and safety amongst our potential

attendees. We have made no decisions at this time and balancing intellectual experience with health and safety isn't simple or easy.

We hope that you will spend *under 10 minutes* answering a brief survey to help the ISA leadership and Headquarters staff in decision-making and planning. We truly appreciate and value your time and the views expressed in this survey. As always, if you have any questions or concerns, please feel free to reach out to any of us or to ISA HQ. ALL responses will be anonymous and will not be tracked within ISAnet. The use of your ISAnet login is only to ensure one response per person.

We are interested in hearing from you. Please contact isa@isanet.org if you have any questions.

Sincerely,

Helen V. Milner, President

Dear PSA members and conference attendees,

The programme for the PSA Annual Conference 2017 is now available in the following searchable word document.

We ask that you check your details (searching for panel/author/paper title name) and inform us of any amendments to the conference programme that are needed.

Whilst we have encountered a few technical issues with the conference system we have worked hard to ensure that all details are correct (names, titles, institutions, co-authors etc.), but are aware that there may still be some errors.

Please note the following:

- If you are listed as AWAITING REGISTRATION your name will not show (you will need to search by paper title), then you need to register to ensure your participation. Any queries regarding this should be directed to Avnish Patel, Events and Marketing Manager at the PSA (especially if you registered very recently and we need to amend our data).
- If your paper is NOT included and it should be, please let us know. The system is indicating a number of withdrawn papers that upon cross-checking are not actually withdrawn.
- All panels were created with 3 or 4 papers on them. Where this is now lower than 3 we are currently exploring options to combine panels but will ask first before proceeding. We are also chasing for a few panel chairs, so if you see 'TBC' volunteers are more than welcome.

As the conference programme has to be finalised and sent to the printers very soon, we ask that you could inform us by **Sunday 19th March** of any necessary changes.

An overview of the conference schedule and some key events is available to download here.

Paper-givers and panel convenors should contact the conference convenor, Dr Mark Shephard, if you have any queries regarding the schedule.

For further details on the location, accommodation and registering for the conference dinner at the Old Fruitmarket on Tuesday 11 April please visit the conference website.

We look forward to seeing you in Glasgow next month.

NATIONAL COUNCIL OF EDUCATIONAL RESEARCH AND TRAINING

No.F.27-4/2020-21/PMD/PAC Planning and Monitoring Division

Date: 23rd November 2020

Dr. Ashita Raveendran I/c Head, PMD

Dear Prof. Sood.

As you are aware, the National Council of Educational Research and Training (NCERT) is an apex organisation working in the area of school education under the Ministry of Education (MoE), Govt. of India. It assumes the responsibility of advising and assisting the Central and State Governments on policies and programmes for bringing about qualitative improvement in school education. The NCERT functions through its eight constituent units located in different parts of the country viz. National Institute of Education, consisting of 18 Departments/Divisions/Cells at New Delhi; five Regional Institutes of Education (RIEs) located at Ajmer, Bhopal, Bhubaneswar, Mysuru and Umiam (Meghalaya); two Central Institutes Pandit Sunderlal Sharma Central Institute of Vocational Education (PSSCIVE) at Bhopal and Central Institute of Educational Technology (CIET) at New Delhi.

The NCERT disburses its responsibilities by way of conducting research, development, training and extension activities/programmes. The constituents of NCERT undertakes various academic programmes based on the mandate of National Education Policy (NEP) as well as the needs of the States/UTs. These academic programme proposals undergo rigorous scrutiny of various boards/committees before the final approval. One of the most important amongst them is the Departmental Advisory Board (DAB) for which the Director, NCERT nominates eminent academicians and renowned scholars as member. The major role and responsibilities of DAB for the NIE constituents are as follows:

- to consider the programme proposals submitted by Department/Division/Cell in the light of its role and functions.
- to recommend the programme proposals considered suitable by the DAB to the Academic Committee (AC).

It gives me great pleasure in informing you that the Director, NCERT recognising your experience and expertise in the area, has nominated you as an esteemed member of the Departmental Advisory Board (DAB) of Department of Curriculum Studies (DCS) for a period of three years i.e. 2020-2023.

The meeting of the DABs for discussing the programme proposals for the year 2021-22 shall be conducted during December 2020 to January 2021. The Heads of the concerned NIE Department/Divisions/Cell of the constituent unit NCERT, New Delhi shall approach you soon in this regard. It is hoped that your fruitful interventions will help in formulating relevant academic programme proposals and there by enhance the quality of the programmes.

The Council looks forward to your esteemed participation.

With sincere regards, (Ashita Raveendran)

This study investigated the relationship between students' perceived social support, their adjustment to university life and academic achievement. Further, this study examined the moderation role of students' adjustment to university life in the relationship between their perceived social support and academic achievement. Participants included 335 university students from four universities who responded to The Multidimensional Scale of Perceived Social Support and University Life Scale. Results of correlation analysis revealed that students' perceived social support had significant correlation with their adjustment to university life. In addition, results revealed that adjustment to university life of students had significantly correlated with their academic achievement. While, students' perceived social support had insignificant correlation with their academic achievement. Moderation analysis revealed that relationship between

To

Dr Suman Sharma Ji, HoD & Dean School of Travel, Tourism & Hospitality Management Central University of Himachal Pradesh

Dear Sir

Greetings from Department of Tourism & Hotel Management, Central University Haryana

Department of Tourism & Hotel Management (DTHM) is the premier institute in the country offering education, training, research and consultancy in tourism, hospitality and other allied sectors. It offers two years (MTTM and MHM&CT) and from the current session the Deptt. is in process of Ph.D. Admission. The course structure and contents are a judicious mix of inbound and outbound tourism, and hospitality for specific knowledge and skill inputs required by tourism and hospitality professionals. The courses also offer specialization to be opted by students in different areas

Keeping in view your vast knowledge and experience in this field and on approval of your name as an external expert for the Departmental Research Committee, by Board of Studies DTHM, it is my pleasure to invite you as an expert member in Interview for Admission to Ph.D. Program. It is scheduled from 9:30 AM to 12:30 PM on 23.11.2020 (Monday) and an online link for the same will be shared with you very soon.

Needless to say that honorarium as per the university norms shall be admissible. Kindly make it convenient to be the expert member as per the details given above. A line of confirmation shall be highly appreciated.

धन्यवाद एवं शुभकामनाएँ

Thanks and Regards

ORDER

Subject: HRD Scheme of the Department of Health Research for "Young Scientist" – Project entitled "Insight into secretome, metallome and metabolic pathways of rickettsial pathogens: a way towards candidate immunogens for translational medicine" under PI: Dr. Dixit Sharma.

With the approval of the Competent Authority, sanction is accorded for funding of the project entitled "Insight into secretome, metallome and metabolic pathways of rickettsial pathogens: a way towards candidate immunogens for translational medicine" under PI: Dr. Dixit Sharma, vide his proposal No. YSS/2020/000116/PRCYSS received under Young Scientist – program of HRD Scheme of DHR to conduct the above mentioned project at Department of Animal Sciences, Central University of Himachal Pradesh, Tab Shahpur Kangra, Himachal Pradesh-176206 by following on the terms and conditions detailed here as under:-

2. The objectives of the project shall be: -

- i. Genome wide identification of metal-binding proteins (MBPs), unique metabolic pathways proteins (UMPPs) and secretory proteins (SPs) in major rickettsial pathogens i.e., Rickettsia conorii, Rickettsia rickettsii, Rickettsia akari, Rickettsia prowazekki, Rickettsia typhi, Orientia tsutsugamushi and Coxiella burnetii.
- ii. Subcellular localization, functional annotation, gene ontology analysis and structural studies of shortlisted putative MBPs, UMPPs, and SPs.
- iii. Experimental validation and expression analysis of selected MBPs, UMPPs, and SPs for their mechanistic insight.
- iv. B-cell and T-cell epitopes assignment in selected immunogens and construction of antirickettsial model vaccine.
- v. To create the awareness among people of Himachal Pradesh at Block level (especially outdoor workers and farm women) to minimize the incidences of scrub typhus and other rickettsial diseases.
- vi. Construction of the biological database for management of rickettsioses in Himachal Pradesh and India

- 3. **PI: Dr. Dixit Sharma** shall be responsible to carry out the project work under guidance/mentorship of **Dr. Sunil Kumar**, Associate Professor and Head, Department of Animal Sciences, Central University of Himachal Pradesh, Tab Shahpur Kangra, Himachal Pradesh-176206.
- 4. The duration of the project shall be for 3 years only.
- 5. The date of start of project start shall be effective from the date of joining of P1 as Women Scientist in the project after sanction of grant and joining should not be later than 15 working days from the date of issue of the forwarding letter & sanction order.
- 6. The budget for the project shall be Rs. 35,50,500/- (Rupees Thirty Five Lakhs Fifty Thousand Five Hundred Only) as per the details indicated in the attached statement [Annexure-1].
- 7. The grant for the first year for Rs. 14,08,500/- (Rupees Fourteen Lakhs Eight Thousand Five Hundred Only) is released as detailed in the attached statement [Annexure-II].
- 8. Further grant will only be released on the basis of work performed by the PI in this project which is subject to the review by the Technical Evaluation Committee of the Department and recommendations thereon.
- 9. The payment of grant-in-aid will be further subject to the GRF-2017/DFPR-1978/Receipt and Payment Rules 1983 (as amended from time to time) and also subject to the following terms and conditions:
 - i. The grant of the project will be released in favour of "Central University of Himachal Pradesh".
 - ii. The Host Institute would be required to submit the Quarterly/annual progress report, the final completion report and the audited Utilization Certificate annually by the end of March as per GFR -238 etc., as per provisions of the scheme guidelines.
- iii. Steps to procure the approved equipment should be initiated immediately (to avoid escalation of cost) by following the GFR guidelines/ prescribed norms of the State Govt.
- iv. The salary of staff appointed on the project should be paid as indicated in the budget statement attached. An undertaking would be furnished by the host institution that the staff will be engaged for the project purely on contractual basis and would have no claim to a permanent employment with the DHR. No alteration in the staff approved can be made by the institute/research Organization without the permission of DHR.
- v. The Institute shall not dispose of or encumber or utilize the assets acquired wholly or substantially out of the Government grant for purpose other than those for which the grant has been sanctioned without prior sanction of the Government.
- vi. The Institute shall maintain a separate account for funds received and expenditure incurred under the said scheme.
- vii. If the grant or any part thereof is not utilized for the purpose for which it is sanctioned, it shall be refunded to the DHR immediately.
- viii. The Institute should maintain a register in Form GFR-22 of the payment and semi-permanent assets acquired to the DHR immediately.
- ix. The register of assets maintained by the Institute shall be made available for scrutiny by the Audit.
- x. A utilization certificate in proforma prescribed (GFR 12-A) and the audited statement of accounts should be furnished to the DHR to enable the Government to satisfy themselves that the amount has been utilized for the purpose for which it was sanctioned. These documents

- should be sent to the DHR immediately after the closure of the current financial year and in any case not later than the end of the third month of the next financial year. (format enclosed)
- xi. The accounts of the grantee institution shall be open to inspection by the sanctioning authority and audit both by the CAG of India under the provision of CAG(DPC) Act, 1971 and internal audit wing of the O/o CCA of the Ministry, whenever the institution of organization is called upon to do so.
- xii. Grantee/institution receiving the grant shall furnish Achievement-cum performance report (final) two months prior of the scheduled period of the project.
- xiii. Utilization of Travel Grant, Contingency Grant, etc would be as per the Guidelines of the Scheme, which are available on the website of DHR (www.dhr.gov.in)
- xiv. DHR guidelines for the extramural projects as available on the ICMR website may also be followed.
- xv. Any change in sanctioned budget /salary component/ staff or any component of the approved project will not be entertained.

10. Other Terms & Conditions of the Grant:

I. The payment of the grant will be made by the Electronic transfer/ Demand Draft/ Cheque and the receipt of the same shall be duly acknowledged by the Institute.

The Institute should register on PFMS portal to receive funds electronically from the DHR.

All the expenditure, transfer and advances shall be maintained on PFMS portal for monitoring of funds/grant by DHR.

The utilization certificate generated from the PFMS portal will only be accepted and further grant will be release on the basis of utilization certificate.

- II. After completion of the project/activity the ownership of the physical and intellectual assets created or acquired out of the funds granted shall vest with the Department.
- III. Expenditure should on no account exceed the budget sanctioned for the project. Reappropriation of savings to meet excess expenditure under various sub heads shall not be made without the approval of the DHR. No expenditure shall be incurred on items not sanctioned under the scheme.

IV. UTILIZATION OF CONTINGENT GRANT

- A. This is meant for recurring as well as non-recurring expenditure. The contingent grant can be utilized for purposes like, but not limited to:
 - i. Acquisition of books and documents of relevance to the research topic in case these are not available in the library, these would become the property of the Institution library and after purchase and accession may be issued to Department/Scientist till they are needed.
 - ii. Charges for specialized investigations for which facilities do not exist in the host institute.
 - iii. Publication charges/ reprints/ off prints of research papers published as an outcome of the research.
 - iv. Data entry charges
 - v. Printing of questionnaire
 - vi. Computer utilities, charges for analysis of data (computer charges)
- vii. Typing of research reports including preparation of the final report
- viii. POL
 - ix. Communication charges
 - x. The grant cannot be used for purchase of furniture items/ office equipments such as telephone, fax machine, computers etc.
- B. For contingency grant exceeding Rs.25,000/- per annum detailed breakup should be given.

- V. Extension beyond the approved duration would not be entertained. If interesting/ important leads emerge that need to be followed-up, a separate proposal may be submitted. Only in exceptional cases, where a valid justification exists, and recommended by the Technical Evaluation Committee and Project Approval Committee an extension can be considered to complete the project.
- VI. The host Institute would be required to submit an annual progress report and also give audited statement of expenditure by the Auditor of the research Organization/Institute etc. However, the first progress report should be submitted at least three months prior to the completion of the annual report. VII. At the completion of the project, the final report should be sent in the prescribed format. The report should be submitted not later three months from the date of completion of the project. Failure to submit the Annual/Final report in time may lead to termination of the project without any notice.

The receipt of the letter may kindly be acknowledged.

Dear Hum,

CASTOR is planning to initiate the Phase 0 science development study and would like to include all prospective partners on this joint mission, to ensure that the mission technical capabilities and science plan meets the needs of all partners. In this regard CASTOR requested the INSIST team to identify scientists who could participate in this study. For this purpose, eight science working groups have evolved basically from the past study conducted by the CASTOR which cover the full range of science topics: i.e.,

- 1. Cosmology
- 2. Time domain astronomy
- 3. AGN and SBHs
- 4. Galaxies and cosmic star formation
- 5. Near field cosmology
- 6. Stellar astrophysics
- 7. Exoplanets
- 8. Solar system

Are you willing to lead the "Cosmology" working group? For further details, refer CASTOR_Science_Final.pdf document (Page 22) at
