D.O. No. 13-4/2020-CU.Cdn

Dated the 10th February, 2020

Dear Sir/Madam,

This is in reference to the ongoing project "Samarth ERP" which has been undergoing over the past few months in your University. This new initiative by Ministry of Human Resource Development (MHRD) involves the implementation of an Enterprise Resource Planning system to transform our University operations, allowing to achieve operational excellence, improve productivity while meeting stakeholders' expectations. While the project team has been working diligently to ensure a smooth transition with seamless experience, we appreciate that this is a major undertaking and that there may be some interruptions while adapting to the change. We are getting the regular updates about the implementation status of the project. It has been noticed that the data is still not being uploaded in most of the modules.

2. It has been reported that following challenges are coming in the way of roll out and launch of the ERP by the set deadline of February, 2020 and March, 2020 respectively:-

- Lack of awareness in CUs with respect to ERP and Process Automation System implementation. CUs should establish accountability for implementation of the automation system.
- CUs have existing non-standard ERP systems; Migration to standardised workflow in such CUs is a brownfield implementation.
- Lack of trained/skilled manpower in CUs for effective handholding.
- Escalation matrix need to be set up to expedite implementation.

3. I shall be grateful, if you could make personal intervention in the matter and ensure the completion of the project within the set timeline.

With regards,

Yours sincerely,

10 letter

(G.C. Hosur)

12/2/2020 To

The Vice Chancellors of (HNB Garhwal University, CU of Jammu, CU of Himachal Pradesh, MGAHV, BBAU, Tezpur University, Mizoram University, Sikkim University, EFLU and Visva Bharati)
