The Chairman welcomed all the Hon'ble members and briefed about the past activities and also about the various agenda items to be discussed in the meeting which were sent in advance to all members through email including out-side experts. Various Agenda Items were placed before the committee and after detailed discussion and deliberations on each, the following decisions were taken:

#### AGENDA ITEM NO. – ANS-BOS-2/20-1

Approval of the Minutes of the 1st Board of Studies meeting held on 10.05.2018 attached as Annexure I.

#### **Decision:**

#### The Minutes of the first meeting of the BoS were Approved

#### Agenda Item No. - ANS-BOS-2/20-2

Proposal for Restructure of the Course Curriculum and addition of New Courses for the M.Sc. Zoology in the CBCS format (for 2020 Batch onwards) as given in Annexure -II.

#### Suggestions':

The proposal for restructuring of the current course curriculum was placed before the BoS in view of the requirement for imparting better knowledge and practical skills to the students with justification. The members deliberated upon the tabled new structure as recommended by the Departmental Council of Department of Animal Sciences, CUHP and suggested several changes for betterment. It was suggested that in the beginning foundation courses be preferred and thereafter as the students gain basic knowledge, gradually advanced and application-oriented courses be provided. In addition, the course curriculum must contain the components of skill, more hands-on training during practicals and also exposure to advanced fields so that they can help to contribute in various related fields/disciplines in future. Finally, after detailed deliberations, the new course curriculum with addition of few new courses and modification of others courses was recommended for Masters Degree of M.Sc. Zoology in the CBCS format (for 2020 Batch onwards) as per the detail given below and in Annexure -II.
