### Call for Proposals for Incubation of Startups

For consideration by Udbhav Kendra, incubation centre of CUHP

Udbhav Kendra, incubation center of CUHP invites proposals from Indian Citizens, faculty members, research scholars, and students of both postgraduate and undergraduate programs to submit their business start-up ideas. The proposals should be based on new technologies, knowledge, or innovations.

Kindly send your proposals by email as well as in print after carefully going through the incubation policy of the university. The last date for submission of proposals to be considered in the very first round of startups to be initiated in Udbhav Kendra is 15<sup>th</sup> June, 2023.

Hoping for very enthusiastic response from all the stakeholders

  
29/05/23  
Director

Udbhav Kendra
