ABOUT THE SEMINAR

'Azadi Ka Amrit Mahotsav' is an initiative to celebrate and commemorate 75 years of progressive independent India and the glorious history of its people, culture and achievements. This Mahotsav is dedicated to the people of India who have been instrumental in bringing India thus far in its evolutionary journey and they also have the power and potential to activate India 2.0, fuelled by the spirit of Atmanirbhar Bharat. 'Azadi Ka Amrit Mahotsav' is an embodiment of all that is progressive about India's socio-cultural, political and economic identity. One of the primary focuses of the celebration is to document our unsung heroes, lesser-known personalities and places that have made invaluable contributions to India's freedom struggle. It commenced on 12th March 2021 with a 75 weeks countdown to our 75th anniversary of independence and will be concluded post a year, on 15th August 2023. India's freedom was a result of decades of struggle by freedom fighters and activists. The British were able to rule over us because the feeling of nationalism was missing from the minds of Indians. India is a diverse society with many languages, religions, etc. India gained its independence on 15th August 1947, after being under British Raj. Several freedom fighters fought to free the country from British rule. In the regional context, the case of the Himalayan state of Himachal Pradesh is inquisitive to delve into.
