VICE-CHANCELLOR'S REPORT

Prof. (Dr.) Sat Prakash Bansal
Vice-Chancellor

I am delighted to present the 16th Annual Report of the Central University of Himachal Pradesh. With significant achievements and recognition, the Central University of Himachal Pradesh, driven by the mantra “नेति नेति चरैवेति चरैवेति” (Neti Neti Charaiveti Charaiveti), has now entered its 17th year, proudly standing among the select universities in the country that have been granted special autonomy by the University Grants Commission (UGC). This was made possible only when the university community collectively prioritized the institution above everything else. I am extremely pleased that since I assumed charge as Vice-Chancellor in July 2021, our academic journey has forged a unique and distinguished path, owing to your cooperation and hard work. Our goal has been to achieve meaningful outcomes through active, result-oriented efforts, always keeping an interdisciplinary approach at the forefront. As a result, we have ensured timely and effective execution of our academic and administrative responsibilities.

Currently, the academic activities of the University are spread across Dhauladhar Campuses (I & II) in Dharamshala, Shahpur Campus, and Sapt-Sindhu Campus in Dehra. The Vice-Chancellor's Secretariat and other administrative offices are located in Dharamshala, and hostel facilities for boys and girls are operational. Transportation facilities are also being efficiently provided to students and researchers through hired buses. The role of academic divisions is crucial for any higher educational institution. Our University, with its twelve Schools and thirty-six Departments/Centers, is actively benefitting students and researchers through research, innovation, and orientation and refresher programmes. We are also promoting Indian knowledge traditions, Indian literature, and Indian heritage by establishing various Centres and Chairs for learning and dissemination.

I am pleased to share that the UGC has approved 220 faculty positions for our University, including 32 Professors, 61 Associate Professors, and 127 Assistant Professors. Of these, 19 Professors, 47 Associate Professors, and 117 Assistant Professors are currently serving in a regular capacity. The process to fill the remaining vacant positions is progressing rapidly. In the administrative and non-teaching categories, the Finance Committee and Executive Council have approved the creation of 21 positions in Group A, 32 positions in Group B, and 75 positions in Group C, which have also been endorsed by the UGC. The positions of Registrar and Finance Officer hold statutory importance. As of 31 March 2025, the University has filled 16 positions in Group A, 16 in Group B, and 54 in Group C. The process for filling the remaining vacant positions is underway.

For the academic session 2024-25, 350 undergraduate, 1,535 postgraduate, 59 PG Diploma, 49 Certificate, and 680 Ph.D. students (a total of 2,673) are pursuing their academic and research journeys. I am immensely delighted that the University's 7th Convocation was held in a grand manner on 6 May 2024, with the Hon'ble President of India, Smt. Droupadi Murmu, gracing the occasion as the Chief Guest. During the ceremony, the Hon'ble President awarded degrees to Ph.D., M.Phil, Gold Medalists, postgraduate and undergraduate students, and researchers. It is also a matter of great pleasure that the Hon'ble Governor of Himachal Pradesh, Shri Shiv Pratap Shukla, was present as a distinguished guest during the 7th Convocation.

This reflects that the Central University of Himachal Pradesh is playing a leading role in building a culture of academic excellence with a strong sense of responsibility. Behind this success lies our commitment to fostering merit, impartiality, and transparency in all decision-making processes—promoting trust among all stakeholders. The University's Internal Quality Assurance Cell (IQAC) is dedicated to systematically creating and communicating new opportunities, both internally and externally. All recommendations of the University's statutory bodies—such as the University Court, Executive Council, Academic Council, and Finance Committee—are uploaded on the University website (www.cuhimachal.ac.in). The Central University of Himachal Pradesh remains fully transparent in its admissions and recruitment processes, inviting online applications for both. The UGC's common CU Chayan portal is being used for recruitment, and the admission process is conducted through the CUET-supported portal. Thus, the University has been successful in maintaining its esteemed position based on credibility, integrity, and transparency.

On the academic front, we are committed to making our University a renowned research University in the country. To achieve this, we are establishing collaborations with leading institutions across the globe through research projects. Our esteemed faculty members are driving this temple of education forward with the spirit of "nation first", and through their expertise and dedication, they are contributing impactful research papers, innovative projects, and creative solutions, including numerous patents. In this direction, we are determined to take decisive steps to encourage and empower scholars to pursue research in their respective fields. Periodic review meetings, international academic exchanges, and collaborative research partnerships reflect our commitment to a strong research culture and the implementation of the National Education Policy (NEP) 2020.

I am pleased to share that the University is playing a significant role in strengthening the academic framework by revising and restructuring standards after numerous workshops and brainstorming sessions. As a result, we are offering bilingual (English and Hindi) instructions for the prescribed curriculum. India is a young nation, and our youth represent our future. When they are healthy in mind, body, and spirit, a superior society naturally evolves. Sports play a special role in this context, and the Central University of Himachal Pradesh is actively contributing in this direction. The successful organisation of the All-India Inter-Zonal Women's Weightlifting Competition under the aegis of AIU from 14–17 February 2025 is a testament to this commitment.

The University has remained deeply conscious of improving its quality despite infrastructural challenges, particularly the absence of permanent campuses. We have not stopped, tired, faltered, or retreated; we have continuously moved forward. This perseverance has resulted in NAAC accrediting the University with an A+ grade and a CGPA of 3.42. Our University community is committed to the growth and development of this institution with unwavering dedication and passion, creating new milestones and making a significant impact. This encompasses the spirit of inclusion, creativity, and beauty akin to a painter's brush, combined with the rhythm of music and the essence of tourism, hospitality, and management. It embodies the vision of a developed India by 2047 under the "One India, Great India" initiative. The active participation in numerous programmes and awareness campaigns demonstrates that our University is at the forefront in creating awareness among all stakeholders to achieve the national goals.

This report reflects the outcome of efforts made by faculty members and non-teaching employees who worked overtime with unwavering commitment and passion for the development of the University. I would like to record my appreciation for each one of them. I would also like to place on record my appreciation to the UGC and the Ministry of Education, and all their officers, for extending their support and cooperation in the development of the University. I shall be failing in my duty if I do not recognise and appreciate the support and cooperation that the University has received from the State Government and District Officials. Special thanks are also due to all members of the University Authorities (such as the University Court, Executive Council, Academic Council and Finance Committee, School Boards, and Boards of Studies) for devoting their valuable time to meetings, and for their guidance and encouragement. Special thanks are also due to all Deans, the Dean (Academics), Dean Students' Welfare, Registrar, Controller of Examinations, Librarian, Proctor, Provost, Heads of Departments, Directors of Centres, Finance Officer, and all other officers of the University for their relentless efforts to help this University grow by leaps and bounds.

The University is funded and regulated by the University Grants Commission (UGC). The University became functional with the assumption of charge by the first Vice Chancellor on 20th January 2010.

The progress made so far/targets achieved, during the years **2009-10** to **2024-2025** are hereby presented as follows:

PHYSICAL FACILITIES AND ACADEMIC INFRASTRUCTURE DEVELOPED SO FAR

A. Land Acquisition for the establishment of Permanent Campus of Himachal Pradesh: The Central University of Himachal Pradesh is establishing its permanent campus at Dehra (South Campus – Sapt Sindhu Parisar) alongwith a second campus proposed at Jadrangal, Dharamshala (North Campus – Dhauladhar Parisar), both located in District Kangra, Himachal Pradesh.

- **Dehra Campus (Under Development):** The State Government has transferred a total of 115 hectares (81 ha forest + 34 ha non-forest) to the University for the development of its South Campus. Construction activities at this site are currently underway.
- **Dharamshala Campus (Forest Clearance under process):** Around 24 hectares of non-forest land has already been handed over to CUHP. In addition, Stage-I Forest Clearance for 57.10 hectares was granted by the MoEF&CC, Gol on 07 June 2023. However, the Stage-II (Final) Forest Clearance is pending, requiring the State Government of Himachal Pradesh to deposit a sum of ₹30,03,94,254 for Compensatory Afforestation, Net Present Value (NPV) and other statutory requirements. Therefore construction work has not yet started at this site.

B. Permanent Campus Construction Progress

The University has empanelled Central Public Works Department (CPWD) as the Project Management Consultant (PMC) for construction of both campuses. The contract for execution of civil works was awarded by CPWD to M/s Ahluwalia Contracts (India) Ltd. on 18 August 2022.

As on 31.03.2025, approximately 70% of construction work at the Dehra campus has been completed. Key Facilities currently Under Construction in Phase I at Dehra Campus include Administrative Blocks (1 Nos.), Lecture Halls (1 Nos.), Academic Blocks (4 Nos.), Hostel Blocks (6 Nos.), Multi-Purpose Hall (1 Nos.), Guest House (1 Nos.), Shopping Arcades, Amenities, Health Centres (1 Nos.), Staff Residences (59 Nos.), Service Blocks (1 Nos.) including External Development Work, Internal and External Civil, Electrical & Mechanical Services.

A brief description of the works currently being executed at Dehra site is as follows:

CURRICULAR FRAMEWORK

ADMISSION BASED ON COMMON UNIVERSITY ENTRANCE TEST (CUET)

The Central University of Himachal Pradesh enrolls students for various UG/PG Programmes except PhD through the Common University Entrance Test (CUET) conducted by National Testing Agency (NTA). A single examination enables the candidates to cover a wide outreach and be part of the admissions process to various Central Universities.

INNOVATIVE PROGRAMMES & CURRICULAR FRAMEWORK

Guided by the National Education Policy 2020 and other reforms agenda in higher education and learning from the experiences of the best universities of the world, the university has introduced a number of innovations, as detailed below:

Semester-based Academic Calendar: All academic programmes of the University – Undergraduate (UG), Post Graduate (PG) and PhD i.e. Research Degrees (RD) - are based on semester system, designed in consonance with global practices in terms of effective number of teaching days and teaching-learning inputs.

Programmes based on Comprehensive Choice Based Credit System: The University has introduced Comprehensive Choice Based Credit System (CCBCS) largely on the lines of the best universities of the world.

Programmes of Study are defined in terms of Credits: As opposed to papers/ courses in the conventional system, a student is required to accumulate:

- 160/120 UG Credits to earn a UG degree (160 UG Credits in case of BFA degree)
- 80 PG Credits to earn a PG degree (40 PG Credits each in case of B.Lib.I.Sc. (One Year) and M.Lib.I.Sc. (One Year) programmes of study and 80 PG Credits in case of MFA programme of study)
- 120 RD Credits to earn a PhD degree

Students Mobility and Credit Transfer: The University has designed a framework to facilitate credit accumulation by its students from other recognised universities of India and abroad. The University has developed a structured mechanism to work out the equivalence and accept the transfer of credits earned by its students from other universities and also adopted Academic Bank of Credits (ABC) (as per NEP-2020 guidelines) as per the relevant Ordinance of the Central University of Himachal Pradesh.

Innovative Approach in Designing Programmes of Study: Departments would not design Programmes of Study as such; instead, they would just (a) design and offer courses based on the expertise and specialization of their faculty members, (b) specify pre-requisites and co-requisites for each course offered, and (c) guide the students to make their own basket of courses to accumulate the required credits to complete their Programmes of Study. Thus, the focus shall remain on 'learner-centred approach' (as opposed to the conventional 'teacher-centred approach') to accommodate learner's needs and expectations and thereby having wider choices in content, mode and pace of learning.

Computation of Credits based on a Holistic Approach to Learning: In the Central University of Himachal Pradesh, one credit is defined as equivalent to the Total Student's Effort (TSE) of 30 hours comprising: (a) 10 hours of lectures/ organized classroom activity/ contact hours; (b) 5 hours of laboratory work/ practical/field work/tutorials/teacher-led activities; and (c) 15 hours of other workload such as independent individual/ group work; obligatory/ optional work; placement; literature survey/ library work; data collection/ field work; writing of papers/ projects/dissertation/thesis; seminars, etc. Thus, the focus is on in-depth learning driven by intrinsic curiosity and mastery of the subject by balancing the taught content with independently self-directed learning.

All Programmes of Study to be Modular: Thus: All Programmes of Study in the University are designed as modular with exit and lateral entry option. While most students may want to complete their UG/PG/RD without any break, some may opt out of the Programme of Studies mid-way due to compelling personal reasons. The University, therefore, provides a structured framework for students to opt out mid-programme, whereby, depending on the extent of time spent on campus and credits accumulated by them, they will be awarded

certificate / diploma / PG diploma. For instance, if any student wants to quit studies after two semesters, he/she can do so and would be awarded an appropriate Certificate/Diploma/PG Diploma, and can rejoin his/her studies from this point onwards, within two years again. Thus:

A student admitted to UG Programme (except BFA programme) may get:

- Certificate (if opts out after 2 Semesters with 40 UG Credits);
- Diploma (if opts out after 4 Semesters with 80 UG Credits);
- Bachelor's Degree (if stays on to complete full 6/8 semesters with 160/120 UG Credits).

A student admitted to PG Programme (except MFA programme) may be conferred:

- PG Diploma (if opts out after 2 semesters with 40 PG credits);
- Master's Degree (if stays on for full 4 semesters with 80 PG credits). In case of B.Lib.I.Sc., (if stays on to complete full 2 semesters with 40 credits). In case of M.Lib.I.Sc., (if stays on to complete full 2 semesters with 40 credits)

All Programmes of Study to be Multi-disciplinary / Inter-disciplinary: While Departments of the University are designed around basic disciplines (to enable faculty members to continue to focus on their specialized areas of research), each Programme of Study of the University is multi-disciplinary as the student is empowered to accumulate required number of credits from a wide variety of courses offered throughout the University including Human Making and Skill Development courses.

a) At PG level, a student would be required to accumulate total 80 PG credits as under (Except B.Lib.I.Sc. (One Year), M.Lib.I.Sc. (One Year) and MFA programme):

Course Type		Credits required
Core courses	Compulsory	40
	Open	12
Elective courses	Specialisation	16
	Open	4
Foundation courses	Human making	4
	Skill development	4
Total credit requirements		80

b) At UG level, a student would be required to accumulate total 160 UG credits as under:

Course Type		Credits required
Core courses	Compulsory	72
	Open	12
Elective courses	Specialisation	12
	Open	12
Foundation courses	Human making	18
	Skill development	12
	Project work / Dissertation	22
Total credit requirements as per UGC guidelines		160

All Programmes to be based on Comprehensive Continuous Internal Assessment: Students in all Programmes of Study across disciplines and at all levels shall be assessed through comprehensive continuous internal assessment based on quizzes, assignments, independent works, group works, mid-terms and end-semester examination.

As a general principle, the Comprehensive Continuous Internal Assessment shall comprise the following components:

- Continuous Internal Assessment: 20%
- Mid Term Examination: 20%
- End Term Examination: 60%

All Programmes of Study to have Grading System: The University shall have grading system based on Ten point scale of evaluation of the performances of students in terms of Marks, Grade points, Letter grade and Description of letter grades. The total performance of a student within a semester and continuous performance from the second semester onwards shall be indicated by (a) Semester Grade Point Average (SGPA); (b) Semester Percentage Marks (SPM); (c) Cumulative Grade Point Average (CGPA); and (d) Overall Percentage Marks (OPM), with CGPA & OPM being the real indicators of a student's performance.

Innovative Research Degree Programmes: The University has rigorous full-time Research Degree (RD) Programmes that aim at honing the research skills, grooming teaching abilities, producing quality research publications and proactive participation in seminars and conferences. Accordingly, the award of RD requires a student to accumulate credits through course work, participation in academic/administrative tasks, published work, presentations, pre-synopsis submission and Pre-PhD Thesis submission and PhD thesis.

a) As per modified ordinance 42 (approved by E.C. vide item no. 52.19), for successful completion of the RD Programme leading to the award of the PhD degree, the computation of credits shall be as under:

Sr. No.	Particular of Task/Activity	Credits Allocated
1.	PhD Coursework	18-22 Credits
2.	Participation in Academic / Examination / Co-Academic / Administrative Tasks assigned by Deptt / School	10 Credits
3.	Publication of Research Papers in at least peer-reviewed journals	12 Credits
4.	Presentations in at least national level Seminars/ Conferences / Workshops	10 Credits
5.	Pre-Synopsis submission and Pre-PhD Thesis Submission Presentation in Open Seminar before DRC	10 Credits
6.	PhD Thesis	60 Credits
Total Credits		120 – 124 Credits

A candidate admitted to the Research Degree (RD) Programme is required to complete the prescribed course work in the first two Semesters of her/his admission. Notwithstanding the maximum prescribed duration of the Research Degree Programme, if a candidate fails to complete the prescribed course work in two semesters, her/his admission shall be cancelled and her/his name shall be removed from the rolls of the University. Provided further that no candidate admitted to the Research Degree Programme shall be permitted to proceed with the Dissertation work until he/she completes the prescribed course work.

b) In case a candidate admitted to the Research Degree Programme holds MPhil degree from this University or other Universities, the Credit requirements for course work and publication may be adjusted accordingly. Such candidates will, however, be required to complete the full 60 RD Credits for dissertation work along with the balance of the credits for the course work, publication work, participation in academic/administrative tasks, Presentations in at least national level Seminars/ Conferences / Workshops, Pre-Synopsis submission and Pre-PhD Thesis Submission.

ENROLLMENT OF STUDENTS, FACULTY & STAFF

Despite the fact that the University commenced its operation with limited physical facilities and infrastructure, it was able to attract large number of applications for most of its Programmes of Study. While granting admission to students, the University has followed the reservation policy of the GOI in all its Programmes of Study. The University has a total of 2673 students on its rolls as on 31.03.2025. It has adopted the guidelines of the University Grants Commission and the Ministry of Education for giving reservation to the SC/ST/OBC/EWS/PWDs. The programme-wise and category-wise position of the student enrolment during the years 2021-22 to 2024-2025 is given in **Table 4, 5, 6, 7 & 8**.
