Minutes of the IQAC Core Committee Meeting

A meeting of the IQAC Core Committee of the Central University of Himachal Pradesh was held on 07 November 2025, at 11.40 AM under the Chairpersonship of Prof. Mohinder Singh, Director, IQAC, to review the outcomes of the Two-Day Workshop on “SDG-Driven Curriculum Design for Transformative Learning (NEP-2020)” held on 03-04 November 2025 and to plan the way forward for implementing its recommendations.

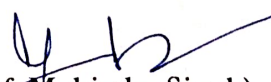

The Committee discussed in detail the key takeaways from the workshop and explored ways to integrate them into the University's academic and quality assurance framework. Members agreed that the workshop marked an important step toward strengthening the University's commitment to Outcome-Based Education (OBE), Sustainable Development Goals (SDGs), and the vision of NEP 2020. The following key points emerged from the discussions:

1. Integration of Sustainable Development Goals (SDGs) and Outcome-Based Education (OBE) across all programme and course structures.
2. Initiation of steps to achieve Programme and Course Outcome Attainment Levels from the next academic semester.
3. Organization of follow-up departmental meetings to review progress and support effective implementation.
4. Ensuring that Course and Programme Outcomes use appropriate action verbs aligned with the cognitive levels of Bloom's Taxonomy to maintain clarity, measurability, and academic rigor.
5. Discussion on defining and aligning Graduate Attributes — including disciplinary knowledge, use of modern tools, ethical reasoning, communication, teamwork, and lifelong learning skills — with course outcomes to enhance employability and holistic development of learners.

The Committee appreciated the efforts of the IQAC team for the successful organization of the workshop and acknowledged the valuable contributions of the participating departments and resource persons.

The meeting concluded with a note of thanks to the Chair.

Dr. Rajinder Singh
Assistant Director, IQAC

(Prof. Mohinder Singh)
Director, IQAC

Dr. Anil Kumar Kashyap
Associate Director, IQAC
