Description:

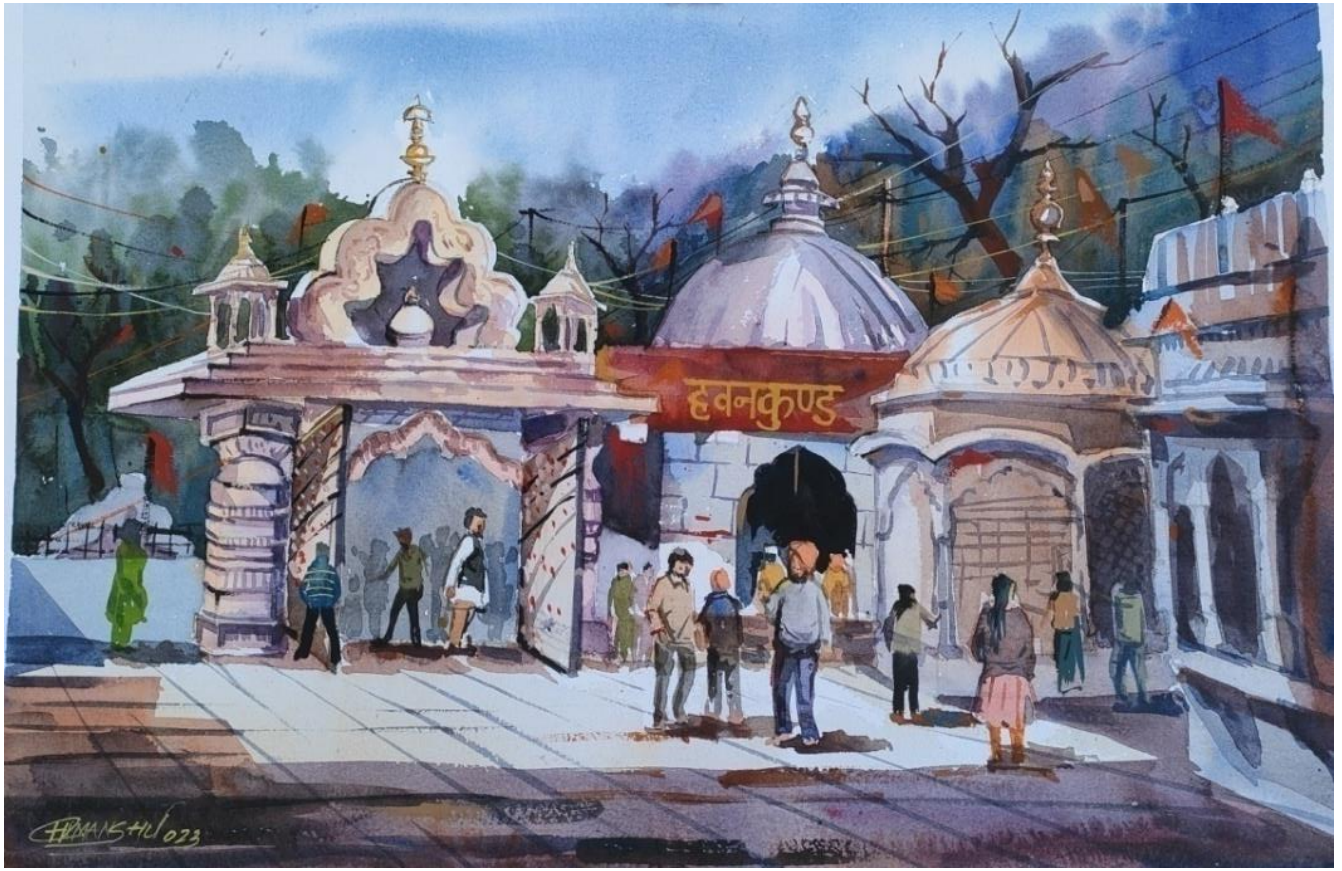

The Department of visual arts organized a Watercolor practice tour to Jwalaji “**Community Watercolor Practice work**” for the students of BFA on 5 March 2023, Sunday.

Students were informed about the program through the circulation of the notice. Almost 20 students participated in this program he journey of the students started from Hanuman Chowk Dehra, Gopipur on 5th March 2023 Sunday the students were dispatched through bus to Jawalaji Mandir where the Fresher’s batch and senior batch of CUHP explored the temple visually through the artistic senses. The students made “**On the spot watercolor paintings**” which was mentored by the Seniors and they enjoyed themselves throughout the trip students were given an opportunity to explore a part of Himachal Pradesh and were able to learn more about the Culture and the Religion of Indian History through their artistic representation.

After completing their watercolor study they displayed their artwork and presented them to the worshipers and localities. The viewers gave their critical analysis and reviews to the artwork made by the Students of CUHP. Students were made aware about the importance of Fine arts and its benefits. There day of work ended with refreshments and were safely transported back home.

GALLERY OF THIS PROGRAMME

Outcome of this activity: Students were able to learn watercolor, happenings and interactions with the varied people of the community outside the university campus with a fun experience of travelling.
