Respected Sir

Sub: Request about becoming co-supervisor for my PhD Program research work

This is regarding the above mentioned subject. My name is Savita Singh and I am a research scholar of institution No. 11118521 at the department of Chemistry, Ujjain Panna University Hamirpur. I am doing my research work with the guidance and supervision of Dr. Anu Sharma on the title SYNTHESIS, CHARACTERIZATION AND CATALYTIC APPLICATION OF LAYERED DOUBLE HYDROXIDE BASED MATERIAL. So, I have found from your research profile (Dr. Vivek Sheel) about your expertise in Material Science. So, this would make it quite natural and fruitful for me to have you as a co-supervisor during the research work of PhD program. I am requesting you (Dr. Vivek Sheel) to provide me with an opportunity to complete my work under your guidance also. This research work aims to create added value for collaboration between researchers of both institutions and as all the lab facilities of your reputed organization with your guidance and supervision. Having an acceptance letter from your side will positively affect my work. I am waiting for your response.

Thank you
