Subject: Database development of Dharamshala Waste Picker community.

Founded in 2012, Waste Warriors is a solid waste management NGO and registered society that works through a combination of direct action initiatives, awareness-raising and community engagement programs, local advocacy, and long-term collaborative partnerships with various government and non-government bodies. Since 2012, it has been Waste Warriors' vision to better integrate the waste picker community in the society and uplift them by providing the required social security.

In order to better understand the current demographics and geography of Dharamshala waste pickers, Waste Warriors would like to create a database of all the waste pickers and identify their current status of employment i.e. formal or informal, and reflect upon their current health and environmental conditions. We are hoping that the information gathered from the survey will help us distribute formal ID cards, create Aadhaar Cards, open bank accounts, provide necessary healthcare, etc.

Waste Warriors would like to partner with the Dept. of Social Work to conduct these surveys over a span of 1 week starting from 10 February, 2020. Participating students will be oriented about Waste Warriors and the project. 4 groups of ~3 students (per group) will be assigned 1 waste picker community. Waste Warriors will distribute certificates to all participating students and will provide them with a stipend of 1000 INR for the week, which will include any food and transportation expenses incurred during the survey. Waste Warriors, upon completion of the survey, will reach out to respective survey takers to resolve any confusions or lack of clarity in any specific response.

We are looking forward to working with the students in compiling this database of waste pickers in Dharamshala, and making the city cleaner, greener, and healthier.

- **Virtual Internship** can also be availed with Sanjeevani LBC

To give you an overview of Sanjeevani Life Beyond Cancer it was started by Mrs. Ruby Ahluwalia, a serving senior bureaucrat, was diagnosed with Triple Negative (Stage 3) Breast Cancer in 2009. The emotional and physical pain, as well as the financial stress of battling cancer, prompted Ruby to begin a new chapter in her own Life – Beyond Cancer.

She set up Sanjeevani... Life Beyond Cancer, 2012, with the aim to make the journey of cancer for underprivileged

patients and their families less strenuous, thus enabling them to complete their treatment and live as productive members of the society thereafter.

One of our major areas of work is to spread awareness. Just to share some data, Cancer is the second leading cause of death globally and was responsible for an estimated **9.6 million** deaths in 2018. There are approx. **17 lakh** new reported cases in India every year. It is estimated that double that number go unreported. The scenario is alarming and worsening day by day.

Sanjeevani **does not levy any charge** towards holding these awareness sessions.

Help required from your side for the programme to be a success -

- You popularizing it with your members and members joining this program and once we have your confirmation we will create this program on Zoom and share the link with you
- Our resource people will also conduct the program
-

We would also urge you as the head to address the gathering for five minutes.

We hope you will join hands with SanjeevaniLBC in its endeavor to eradicate cancer.

Since its inception in 2012, Sanjeevani has enriched the lives of over 2, 45,000 patients across its 14 centers pan India.

Here's a short profile of our organization (<https://youtu.be/KDMvnew7eeM>) for your perusal.

Swabhiman Foundation is a registered trust operational in Dharamshala since its inception. We have been working on different social issues such as Health Awareness along with Information dissemination about Ayushman and Himcare Schemes, Grateful Giving, Legal Awareness, Skill Development Programs viz., Digital Literacy, Hand Embroidery, Hand Bag making from Used Cloth and so on.

We appreciate Central University of Himachal Pradesh's Department of Social Work for its sustained and sincere efforts to participate and engage in the collaborative development of the society. Dr. Shabab Ahmad in particular had continuously been generous enough to lend his free and voluntary expertise to our foundation. This support in the advancement and growth of our various projects, particularly

- 1) Fieldwork for the Economic Census (Collaborative Project)
- 2) Fieldwork and Community Involvement (Mobilization, Awareness and Community Gatherings)
- 3) Programs for skill development (Information Dissemination)
